Series 375

Base Unit Manufacturer's Suggested List Price (MSLP) $559.00

The Series 375 is designed to remove both airborne particles and gases/odors from the air in occupied spaces. The 3 speed blower moves 330 HI, 260 MED, and 170 LO CFM (9.3 HI, 6.4 MED, and 4.8 LO CMM) through a sound silencer and 4 stages of filtration. Wall mounting brackets, 4-way discharge air louver and an 8 ft. power cord are supplied. The unit is designed for installation above a doorway or on the center of a wall against the ceiling. The prefilter is carbon impregnated followed by a borosil media, electro-fiber media and 1/2" carbon panels (5.75 lbs.), providing approximately 92% D.O.P. filtration efficiency on particles and 80% on odors. With optional ozone generator installed, the odor filtration efficiency increases to about 95%. Options available include: variable rate ozone generator, sorbent media, radio-wave remote control on/off switch, air sensor controller, and an assortment of colors (standard color, Arctic White).

Approx. Hanging Wt. - 40 lbs (18.1 KG)
Approx. Shipping Wt. - 55 lbs (24.9 KG)
Series 375
To create the model number for the options you require, simply insert the appropriate code number after the series master number. Add the dollar amount listed after the option of your choice to the base unit Manufacturer's Suggested List Price (MSLP) to determine the final cost of the model with the options you require. Limited choice of colors available at $35 per unit up to 10 units. No additional charge after 10 units on a single order and of the same color. For custom colors you must submit a 4” x 4” color sample for verification of match prior to ordering. When approved, place order with custom color requested attached to order.

375 AA - BB - CC - DD - EE - FF - HH

Code A Options
Electrical Power $ Adder
A1 100/120VAC, 50/60HZ, 1PH N/C
A2 220 VAC, 50/60 HZ, 1PH $20.00

Pre-Filter $ Adder
B1 Disposable Carbon Impregnated N/C

Primary Particle Filter $ Adder
C1 One Layer of Borosil N/C
One Layer of Electro Fiber

Primary or Secondary Odor Filter $ Adder
D1 1/2" Charcoal Panels N/C
D2 1/2" Permanganate Panels $20.00
D3 1/2" Permanganate and Charcoal $15.00
D4 1/2" Zeolite Panels $20.00

Ozone $ Adder
H1 Ozone Generator $95.00

Remote On/Off Control $ Adder
F1 $190.00
F2 Air Sensor Controller $295.00

8FT, 3 Prong, 120V International Cords Available N/C

Example:
If you desire base unit with Permanganate panels and 120VAC motor then order # 375-A1-B1-C1-D2-E1.
